# CONSTRUCTION CONSULTANTS

A DESIGN/BUILD COMPANY

*www.design-and-build.com*

## Use us to your advantage:

- Let us show you what your building will look like with new digital imagery
- Let us tell what your total cost will be before you sign a contract.
- Specialist in branch and main office bank buildings.
- Detailed cost reporting throughout the job with no surprises.
- Computer Aided design technology and digital imagery show you what to expect when the job is finished.
- Extensive data base of costs and years of purchasing guarantee an accurate budget and competitive prices.

## Remodeling

### Existing Structure

**Proposal to change from a flat roof multi-tenant building to a single tenant under one large hip roof structure.**

### Digitally altered image To show potential look

### Existing Structure

**Branch bank with a proposal to update by adding a roof similar to the main office**

### Digitally altered image To show potential look
